- Sports pics will have packets at next coaches meeting in May and a picture night will be set.

2nd Item: Park Improvement

- We will eventually need to fundraise approximately \$40,000 for the needed/wanted improvements
- Chad Cook has started to make a scale drawing of what we currently have.
- We need to make a priority list and a master plan before presenting to other organizations for financial help.

3rd Item: Concession Stand

- All set for HS girls softball games.
- Need to look at reinforcing overhead window doors – looks like they have been damaged over the winter months.
- There is also the need for a lock to the walk in cooler since there is more of a stock of items. No parent workers should have to go into the walk-in cooler.

4th Item: Scoreboard

- Complaint from a village resident about the placement of the new scoreboard.
- Village has already approved placement and there is no ordinance being violated.

New Business: NONE
